|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|----------|
| Electricity Price | Average Monthly Use | 500 kWh | 1000 kWh | 2000 kWh |
| | Average Price per kWh | 20.5 ¢ | 20.0 ¢ | 14.8 ¢ |
| | The price you pay each month includes the Energy Charge, Usage Credit and TDU Delivery Charges in effect for your monthly billing cycle. A Usage Credit of \$100.00 will be included for each billing cycle when your usage on this plan is above or equal to 1500 kWh. There is no Usage Credit for a billing cycle when usage on this plan is below 1500 kWh. | | | |
| | Energy Charge | 16.0200 ¢ per kWh | | |
| | Usage Credit | \$100.00 per billing cycle for usage (>=1500) kWh | | |
| | TDU Delivery Charges | \$4.39 per billing cycle | | |
| Other Key Terms and Questions | TDU Delivery Charges | 3.5620 ¢ per kWh | | |
| | This price disclosure is an example based on average prices - your price for electricity service will vary according to your actual usage. For updated TDU Delivery Charges please go to https://mygexa2.gexaenergy.com/tdu-charges . TDU Delivery Charges will be passed through to customers without markup. Some locations may be subject to a TDU Underground Facilities and Cost Recovery charge authorized by their city that is not included in the total average prices shown. For more details, see your TDU service tariff for a listing of cities and authorized charges. | | | |
| See Terms of Service for a full listing of fees, deposit policy, and other terms. | | | | |
| Disclosure Chart | Type of Product: | Fixed Rate | | |
| | Contract Term: | 12 Months | | |
| | Do I have a termination fee or any fees associated with terminating service? | Yes, Gexa will assess a \$150.00 early termination fee for termination of service prior to the end of the contract term. This fee will not apply if you move and provide a forwarding address and other evidence verifying the move. | | |
| | Can my price change during contract period? | Yes | | |
| | If my price can change, how will it change and by how much? | Your price may be adjusted to reflect changes in TDU charges; changes to the Electric Reliability Council of Texas or Texas Regional Entity administrative fees charged to loads; or changes resulting from federal, state or local laws or regulatory actions that impose new or modified fees or costs that are outside our control. | | |
| | What other fees may I be charged? | Please see the "Summary of Gexa Energy Non-Recurring Charges" section of the Terms of Service. These fees are not included in the recurring charges. | | |

| | | |
|-------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| | Is this a pre-pay or pay in advance product? | No |
| | Does Gexa purchase excess distributed renewable energy? | Yes, subject to enrollment on an eligible electricity plan and execution of an Interconnection Agreement with your Transmission and Distribution Utility (TDU). |
| | Renewable Content | This product is 100% renewable |
| | The statewide average for renewable content is: | 29.0% |
