	<p>This price disclosure is an example based on average prices - your price for electricity service will vary according to your actual usage.</p>				
	<p>For updated TDU Delivery Charges please go to <a href="https://mygexa2.gexaenergy.com/tdu-charges">https://mygexa2.gexaenergy.com/tdu-charges</a>. TDU Delivery Charges will be passed through to customers without markup.</p>				
<b>Electricity Price</b>	<p>The total kilowatt-hour usage shown on your monthly invoice (Billed Usage) is provided by the Transmission and Distribution Utility (TDU). Usage for each time-of-day billing period shown above is determined from interval data from your advanced meter (Interval Data) and is also provided by the TDU. If the totaled Billed Usage and totaled Interval Data do not match, the Interval Data will be proportionately adjusted so the sum of all intervals equal the Billed Usage provided by the TDU.</p>				
	<p>Some locations may be subject to a TDU Underground Facilities and Cost Recovery charge authorized by their city that is not included in the total average prices shown. For more details see your TDU service tariff for a listing of cities and authorized charges.</p>
